THE DOPPLER FREQUENCY SHIFT OF MICROWAVE SIGNALS

NOTIFICATION OF CHANGE OF ENTITY STATUS
UNDER 37 C.F.R. § 1.28(b)

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

As the attorney of record in this application, I am hereby giving notification of change in small entity status as required under 37 C.F.R. § 1.28(b).

As a result of patent settlements which were not in effect until after the filing of this reissue application, it is Applicant's belief that the loss of Small Entity status does not effect the filing fee for the above identified reissue application. Therefore, at this time there are no current monetary deficiencies for this application.

However, should the Commissioner deem it necessary to charge for any deficiencies, the Commissioner is hereby authorized to charge our deposit account 08-2789 for any additional fees and or credit any overpayments to the same account.

Respectfully submitted

HOWARD & HOWARD
